Campus News

- Mrs. Lee's Fourth Grade is all set for science and art this year thanks to generous parent donations! New lab/art coats were gifted by the fourth grade parents. Our Lady of Grace also received science tools and equipment from a very generous family donation to use for laboratory investigations and experiments throughout the year! Thank you, Parents!
- Mrs. Chapa's Second Graders received the "Respectacles" this week for acts of respectfulness in the classroom and around campus. Congratulations!

Did You Know?

At Our Lady of Grace we begin and end each day not only in prayer but with song, too?

Each morning we "Rise and Shine" in a song of praise to begin our day and each afternoon as we gather in the minihall, we sing (and many of us dance) to a song selected by a grade level.

Mrs. Herrera and her guitar group frequently provide the music!
